

Greetings!

Dear Brothers & Sisters in Christ,

Greetings! I am headed for Africa this Saturday. I'll be going to Cameroon first for a 2-week conference where I'll be teaching the IBS seminar. I am bringing in a pastor from Pakistan who I will train to teach the IBS seminar. The door has closed for Americans to get into Pakistan right now, so we're going to use the nationals! From Cameroon I'll head to Uganda. I'll be arriving for the conclusion of our fourth 10 day training session (40 days) with 15 choice pastors and leaders from four countries. I'll be giving graduation certificates to these men who have been given some in-depth training in our Inductive Bible study system. We will also have all of our African staff coming for meetings after the graduation.

Please pray:

1. For my safety in travel and good health.
2. Pray for seminar participants in Cameroon
3. For my time with all of our African staff in Uganda
4. For Pakistan pastor to clearly understand how to teach the IBS
5. For my wife Debbie who stays at home

Blessings – Dan
