THE CHAPEL STORE: All of us have certainly run across questions as we studied the Bible and wondered where we might turn to get some answers. The **"New International Encyclopedia of Bible Difficulties"** will help you tremendously. Birthed from years of teaching and research, Dr. Archer has tackled the most troublesome questions and offered biblically solid explanations and answers. His work will leave you assured of your faith and dependent on the message that you live by. This is an absolute necessity for those teaching regularly, and I highly recommend it to you. This book of the month from Pastor Jack's Library can be found in the Chapel Store.

* Sign-ups take place at the Information Counter, in the Church Office during the week, or online at www.morningstarcc.org. Detailed flyers are available.
